

# The Calix Society

substituting the cup that stupifies with the one that sanctifies

*"Calix gathers its members together as Catholics, on common spiritual ground, with their common problem (addiction) and their common aspirations (sanctification), to seek guidance in practical daily living."*

**Join us in The Sacraments, Eucharistic Adoration, prayer, fasting, and fellowship.  
Join us as we unite the Church's path to Sanctification, with 12<sup>th</sup> Step Experience.**

- **Addiction? Alcohol, other drugs, sinful behavior, or loved ones?**
- **We have been there. Found a way out, with the help of God, His Church, and others who suffered.**
- **Our journey of recovery began in many places, and brought us together... to the foot of the Cross and to the Blessed Sacrament. The cup that sanctifies. If you have suffered from addiction:**

➤ **We meet at 7 PM at the Ss. Cyril and Methodius**

**Activities Building -- 18 Mile Road Entrance - Far West Door - First Room on the Left (C244)**

**The First Tuesday of every month!!!**
