Mark your calendars as we continue our journey into the Heart of Jesus Christ and uncover what it really means to KNOW, LOVE, AND SERVE Him!

"It is altogether impossible to enumerate the heavenly gifts which devotion to the Sacred Heart of Jesus has poured out on the souls of the faithful, purifying them, offering them heavenly strength, rousing them to the attainment of all virtues."

~Pope Pius XII "HAURIETIS AQUAS" - ON DEVOTION TO THE SACRED HEART

The most noble and lovable part of a person is their heart. The human heart is the center of all love, affection, and emotion. Out of love for us, Our Lord Jesus Christ became "True God and True Man." Since Jesus had a true human nature, His human Heart is no less loveable than any other human heart. In fact, the Sacred Heart of Jesus is the most loveable of all hearts; and is worthy, not only of all our love, but since this Heart is united to the Eternal Word of God, it is also worthy of our fullest and deepest worship. Devotion to the Sacred Heart of Jesus is the center of all Catholic devotion so much so, that Our Lord even appeared to St. Margaret Mary Alacoque and revealed to her "The 12 promises" that are granted to those who practice this devotion.

Don't miss this evening with Bobby Hesley, dynamic speaker, writer and St Cyril's parishioner, as well as David Tay from the Men of the Sacred Heart ministry (also from St. Cyril's) as they take you deeper into this wonderful Catholic devotion.
