

# DELIVERANCE IS A GOOD WORD!

–Neil Lozano, *Unbound: A Practical Guide to Deliverance*

## **Most people misunderstand deliverance.**

They think that it's only for possessed individuals. **It's not.**

They think that it can only be done by a trained and appointed exorcist. **Not true.**

Others believe that deliverance is something only for "charismatics," or that it's necessarily frightening. **Absolutely unnecessary.**

Still others confuse deliverance with emotional or mental healing. Deliverance does closely align with healing. For the greatest healing of all is healing from sin and from its inevitable outcomes: misery, destruction, death. But **deliverance is not the same thing as healing.**

## **Deliverance ministry simply addresses the reality of spiritual warfare in every human life.**

The devil's evil influence ranges from temptation to harassment to oppression to possession. Yet Christians, while subject to the Satan's constant opposition, can never be overpowered by the enemy; he can only gain power in their lives to the degree that they open doors to his work.

## **How?**

living in fear

believing lies

engaging in sin

refusing to forgive

forming unholy ties or attachments

cutting off from community or rightful authority

approaching the occult with fear or fascination.

putting other things in place of God to give life meaning

Deliverance ministry **closes these doors** and releases people to live freely, secure in their identity as God's beloved children, dedicated to His purpose for their lives.

## **Deliverance is about belonging completely to God and nothing else.**

## UNBOUND DELIVERANCE MINISTRY

Unbound deliverance ministry is a model of prayer developed by Neal Lozano. It is the model for deliverance most widely endorsed by Catholic bishops and priests throughout the world. Unbound guides people to surrender more fully to Jesus and **encounter the truth that sets them free.**

Other models of healing or deliverance rely on the gifting of the minister, perhaps accompanied by supernatural signs or physical manifestations.

Unbound prayer ministry, in contrast, is really **led by the person receiving prayer.** In fact, the goal is for people to learn to use the model for themselves, as a regular part of their prayer life. It is simple, undramatic, and yet very powerful.

**The model is based on “five keys to freedom.”**

**Key One** – Repent for your sins and believe in Jesus.

**Key Two** – Forgive others ... and yourself.

**Key Three** – Renounce the work of Satan, his influence in your life, closing the doors you once opened to evil.

**Key Four** – Stand in the authority of Jesus Christ and say “NO” to evil.

**Key Five** – Receive the Father's blessing on your identity and destiny.

Through these five keys, people learn how to win their ongoing spiritual battles, and **experience liberation to be who they were meant to be and live the life they were meant to live.**
